

SENATOR MOREHEAD: Mr. President and colleagues, thank you very much. This amendment which I have had placed on your desk is to address a problem that I indicated to you earlier on the legislation that our Register of Deeds locally had and I am sure your Register of Deeds may have felt the same thing. In disseminating information as they are supposed to by law, they felt that under the restrictions of this bill that they were in some jeopardy and so we wanted clarifying language in that made it quite clear that they would be in no jeopardy for giving out verbal information by inquiries to the public. And so that is essentially what this amendment does and I would ask for your favorable adoption of it. Thank you.

PRESIDENT: Senator Warner, do you wish to comment?

SENATOR WARNER: I would support the amendment.

PRESIDENT: Is there further discussion on the Morehead amendment? If not, the motion is to adopt the amendment. All those in favor vote aye, opposed vote nay. We are voting on the adoption of an amendment offered by Senator Morehead to LB 47. Please record your vote. Have you all voted? The Clerk will record.

CLERK: 26 ayes, 0 nays on adoption of Senator Morehead's amendment to the bill, Mr. President.

PRESIDENT: The amendment is adopted.

CLERK: Mr. President, the next amendment I have to the bill is by Senator Beutler. This is Request 287, Senator. (See page 874 of the Legislative Journal.)

SENATOR BEUTLER: Mr. Speaker and members of the Legislature, this bill has also been agreed upon with the introducers of the bill and basically it just sets forth that the Board of Examiners shall give the abstracters examinations at least twice a year and that is all it does. I move the adoption of the amendment.

PRESIDENT: Is there discussion on this amendment? Senator Warner, do you have anything? Very well. Any more discussion? The motion is to adopt the Beutler amendment. All those in favor vote aye, opposed vote nay. Have you all
